

Let's go to school. This is my small bike.

This scooter is new. I can ride with you!

I walk. Look at the big school!

Oh no, I'm late. I'm sorry, Mr Lee!

Don't be late again. Welcome to our British secondary school!

Hello, Mr Lee. You're our teacher, and we're your students!

Hi! What's your name? I'm Pflumi.

My name is Scout. Nice to meet you!

Nice to meet you too. You can sit with us.

Where are you from, Scout?

Here's something about me: I'm from Hove. I'm eleven years old. How old are you?

I'm ten. What about you, Pflumi?

I'm eleven too!

Quiet, please. Stand up, then sit down again.

We're in class now. Put your hands up for a question.

Yes, Mr Lee!

My pencil case is on the desk. I have a pen, a rubber and a pencil sharpener.

I have a ruler, a glue stick and an exercise book.

Great! We're ready.

What page, Mr Lee? Can I use your book, Blu, please?

Page ten. Open your books and read.

Yes, here you are, Leo.

Thanks!

You're welcome.

Let's start our English holiday show. First, talk to us about a photo. Your families can come later.

A show about our holidays? I love that idea!

Yes. We need a picture and a story.

In the picture I can see a dog and a seagull.

I can see your mum, but I can't see your dad. Is he there?

Yes, he's behind the camera. He takes photos. It's on my phone too!

What's your favourite animal?
There are many animals in this book.

My favourite animal is a cat.
There's a dog, a horse, a lion and
a monkey too.

I can see a parrot, an elephant, a
fish and a snake!

Here's a question:
Which animal is the
snake?

Is the fish the answer to
the question?

No, that's wrong. Look
at the long animal.

Oh, right! I know the
answer now.

How many photos do we have? Say the number in English.

One, two, three, four, five, six, seven.

Eight, nine, ten, eleven, twelve, thirteen, fourteen!

Fourteen photos! We have time for a great show.

I don't understand the other question. Can you help me, please?

Of course. What can you see in your photo?

I can see my friend. We are friends at school too!

Look at the window! The photo is going out!

Close the window! It's too late!

Oh no! We need that photo for the show!

First, finish class. Then we can go and look for the photo.

Let's help Scout. We'll look at the playground together.

Thank you. You're nice friends.

I'm tired. Is it time for a drink?

Yes. Take mine.

I often code at the computer, but I'm busy with our show now.

Can I go to the toilet, please?

Yes. Go now; then meet us outside.

Thank you!

I'm scared of that snake!

Careful! Look at it again. It's a toy, not a real snake.

I remember that thing. It's a toy from the other class.

There's my photo, under the toy! The seagull is in the picture.

That toy looks horrible, but it's different to a real snake.

We have the photo. Let's take it to Mr Lee!

I didn't know you this morning. Now we're friends!

Yes, we're in the same class, and we have fun together.

Listen to us: the show can start!

Here is the photo again. Are you ready?

Yes! Put the picture here, next to the window.

Let's open the show!

My hobby is music. I love my guitar, and I sing.

I like to draw and dance. I don't like football.

I love to swim. I like sport too. What about you, Blu?

I love to take photos!

This is my holiday in Hove. My dad took the photo.

That's my mum with our dog. The seagull is above us.

Very good, Scout. You can tell a story in English!

Who is the baby in the picture? It's me, with a big hat!

And there's Leo's mum. Is that your dad too?

Yes! Mum and Dad are here for our show.

The show is over. Now we can eat. Here are some things to eat.

Scout, take this apple.

Thank you! That's great.

You're welcome.

Bye, Pflumi! See you tomorrow.

Goodbye, Scout. You can walk with us again.

Well done, everyone. Have a nice evening at home!

Mum! Dad! We made a show at school.

We lost a photo, but we found it with Scout.

What a great story! I often cook for you. Come in.

What can you see in this picture?

I can see a seagull and a dog. I can't see Scout's dad; he's taking the photo.

Do you remember our new friend Scout?

I put the photos on the computer. Let's start our little show!

Listen to my music. I can sing for us.

And here is a photo of us with our new friend.

It's time for bed now. You're old enough to get ready by yourself.

I'm tired, but today was great.

Your first show at school was lovely.

That was a nice day. We have a new friend.

Good night, Pflumi. See you at school tomorrow!

Good night. No more horrible snakes, please!

The photo is safe. The friends are ready for a new day.

Good night, Wuselmon!
